

Missed Appointment Policy

We would like to take this opportunity to inform you of our policies for missed appointments.

Our dental office will charge a fee of *\$100.00* for cancellations and appointment failures without a 48 business hour notice.

Patient may also be asked to pre-pay or place a deposit to reschedule the missed/failed appointment if the policies are not followed.

We try our best to confirm your appointment in a timely manner but it is your responsibility to keep your reserved time.

We thank you for your understanding and consideration and look forward to continuing exceptional dental care.
